

Spring  
~~Fall~~ Meeting 5-30-99

Clemens Pond Assoc. Meeting

The meeting was called to order at 10:30<sup>AM</sup> by Klavio Lumbert, Pres., at Victor Zilmans. There was a moment of Silence to honor all those who help keep our Country free.

Sec. report: acc. as read

treas. report: acc as read.

road fund report: acc as read

- New Business

1. We were all updated on Eli's condition following her by-pass surgery.
2. Victor and Betty we thanked for offering their place at the last minute for our meeting.
- 3- dragon fly nymphs were planted by Lumberts.
- 4- Beaver continue to plague the pond. What to do next remains a problem. It was voted on and passed to reimburse David Lumbert and Carol Hill for paying for the trapper who took out 7 beaver.
5. A discussion about dues and their payment time came to a vote. Collection of dues will be at the Spring meeting and will be for that year. All dues must be current and up to date.
- 6- Race track ordinance - we were urged to approach our selectmen and attend town meetings to get an ordinance passed.
- 7- Concerns about towers and Ospree Fair grounds race track were discussed.
- 8- Picnic - The picnic will be at Chris & Anne Kelley's July ~~3<sup>rd</sup>~~ 17<sup>th</sup> being the 3<sup>rd</sup> Sat.  
Picnic Committee - Pat Clifford & Anne Lumbert

Clean up committee - Mod Carolyn Rousseau  
\$150. was appropriated for this event.

9- Nominating Committee - Carol Hill

10- There are some problems arising with the public beach. Richard Hunt reported personal property damage, as well as trash and human as well as animal body wastes being left at site.

11- A small group volunteered to go to the next town meeting and voice the concerns of the Assoc. Those people going. Chris & Blaine Shilley  
David and Normie Lambert  
Carol Hill.

12- Water Clarity testing that was once done by Blaine Shilley will now be done by Nancy Swell  
Thank you Nancy for taking this task over.  
It was discussed, voted on and passed to appropriate \$50.00 to take a H<sub>2</sub>O sample of the Cove and test for E-Coli.

13- A renegade paddle boat was found by Harold Guilman and can be retrieved from its mooring to his dock.

The meeting was adjourned 12:07<sup>pm</sup>.

Respectfully Submitted  
Normie Lambert  
Secretary.
