

Sept 2nd, 1990.

Called to order 10:17^{AM}

Secretary report - accepted & read

Treasurer's report: 548.16 in bank \ members
9.88 on hand \ urged to get
caught up dues paid & present.

1. There was an explanation of the Road Fund for the new members
2. New members are Bruce & Joanne Tanner
Richard and Celia Hurst

Old Business:

1. street lights: Marlene attended a selectman's meeting. Miggins's light placement proposal met criteria but things were reported to stay as they are = no light.
2. Fire hydrant - selectmen need someone from the town to work with them.
Victor volunteered to do this.
Ken expressed concern about location in terms of servicing the whole pond.
3. There was a discussion regarding houses set back from the water: It is stated plainly in the town's building ordinance.
4. Mosquitos: Mae Hazen made a motion to appropriate money to get dragon fly larvae.
The sum of 75.00 was voted on & passed.
Mo & Caroleen will get the larvae & plant them

New Business

1. Public access to pond: There will be a selectmans meeting Sept. 13th. regarding the possibility of the town purchasing and using Cheshire's Beach.
2. Mae Hazen expressed concerns about her road if public access comes to pass.
3. Money in the sum of 200. was appropriated if needed to have McFarland Lab test the water as soon as possible. Susan Blitty will be contact person with the Lab.
4. A committee of 5 volunteered to keep us informed and up dated on the Public Access issue.
They are: Susan & Dave Blitty
Judy Comer
Dolly Hillman
Alice Kenney

The sum of 500. was voted on for this committee to use for ads in papers etc should we need to publicly express our desire to keep a public access ~~out~~ off the pond.

New officers were voted in for the next year.

David Lombert pres.

Normie Lombert - secy.

Betty Zelman - Treasurer

Tom Kenney Vice pres.

Next meeting will be Sun. May 26th our traditional memorial. Also 111th annual meeting observed 1203. Normie Lombert
Secretary
